

DEPARTMENT PLAYBOOK

Legal Team

Your playbook for agreements and documents in Agrocorp CRM — working from confirmed bookings through allotment and agreement. For Legal Head and Legal Support.

Legal Head

Legal Support

User Manual · Find your task in the contents and follow the numbered steps.

Who this guide is for

ROLE	WHAT YOU DO	ACCESS
Legal Head	Owns agreements & legal documents	View and manage legal items; can prepare, edit and finalise agreements
Legal Support	Assists with legal work	View only – can see legal items and leads, but cannot edit or finalise

Difference in one line: the **Head** prepares and finalises agreements; **Support** can view and assist but not finalise.

*Legal dashboard – **Agreements & Documentation**: agreements to sign/register, documents pending verification, and a table of agreements in progress.*

Legal work in the CRM is **booking-driven**: you act on customers once their deal is confirmed and allotment is triggered. You'll mostly use **Bookings** and the individual customer records.

How your menu looks: your side menu shows Overview, Sales (to view leads), Deals & Finance (Bookings, Collections, Demand Letters) and the WhatsApp Inbox. You work legal actions inside the relevant booking / customer record.

TASK 1 – Find the bookings that are ready for you

Agrocorp CRM

OVERVIEW

- Dashboard
- SLA Board
- Tasks

SALES

- Leads
- Pipeline
- Call List
- Site Visits
- Inventory
- Import

DEALS & FINANCE

Bookings – the confirmed deals that flow into legal work.

- 1 Open **Deals & Finance** → **Bookings**.
- 2 Look for bookings marked **Confirmed** – these are live deals.
- 3 Click a booking to open its full record.
- 4 Check whether **allotment** has been triggered (this happens once the customer has paid 10%).

TASK 2 – Prepare and manage the agreement

- 1 Open the confirmed booking (Task 1).
- 2 Find the **Agreement / Documents** section of the record.
- 3 Click **Prepare agreement** to start the agreement for that customer.
- 4 Check the customer and unit details are correct before you proceed.
- 5 Generate the agreement document.
- 6 Move the agreement through its stages (Draft → Sent → Signed) as it progresses.
- 7 Send it for signature – e-sign is currently a **demo/mock** step until an e-sign provider is connected.
- 8 Once signed, mark the agreement **complete** on the record.

Note: electronic signature is **mocked** today. The agreement lifecycle (prepare, send, mark signed) works, but real e-signature activates only after an e-sign provider is connected in Integrations.

TASK 3 – Review a customer's leads & history

The screenshot shows the Agrocrop CRM interface. On the left is a sidebar with navigation menus: OVERVIEW (Dashboard, SLA Board, Tasks), SALES (Leads, Pipeline, Call List, Site Visits, Inventory, Import), DEALS & FINANCE (Bookings, Collections, Demand Letters), and MESSAGING (WhatsApp Inbox). The user 'Vivek Nair' is logged in as the Legal Head. The main area is titled 'Leads' and contains a search bar and filters for stages, temps, and sources. Below this is a table of leads.

Leads (view) – use this to check a customer's full history and context.

- 1 Open **Sales** → **Leads** (you have view access).
- 2 Search for the customer by name, phone or email.
- 3 Open the record to read the full activity trail, notes and documents.
- 4 Use this to confirm details before finalising an agreement.

TASK 4 – Coordinate with Accounts on allotment

- 1 Allotment is triggered automatically once the customer's collections reach **10%**.
- 2 Check the booking's collection status under **Deals & Finance** → **Collections**.
- 3 When allotment is triggered, begin the agreement (Task 2).
- 4 Keep the Accounts team informed of the agreement's progress.

Quick answers

QUESTION	ANSWER
I don't see a separate "Legal" menu	Legal work is done inside each confirmed booking / customer record, not a standalone page.
When can I start an agreement?	Once the booking is confirmed and allotment (10% collection) is triggered.
Is e-signature live?	Not yet — it's a mock step until an e-sign provider is connected.
I can only view, not edit	You're on the Support role — the Legal Head finalises agreements.
